**\*\* LTL orders by the case or pallet**

Orders can be completed through the on-line portal.  
 Minimum of 75 cases per order (can be assorted if needed), maximum of 5 pallets bi-weekly.  
 As all of our carriers are delivering your orders free of charge, the goal is to create efficiencies for them where possible. To achieve this, orders in full pallet quantities are appreciated.  
 Carriers often have limited space available and we have worked hard to ensure inventory is available at all times for easy replenishment when needed. If you have the need to order more often than bi-weekly, we would be happy to work with you to find a solution. Please contact: marketplace@foodbankscanada.ca to discuss.

**\*\*\*FTL orders by full truckloads**

A truckload is defined as a full truck from any Group (A,B,C or D)  
 Mixed truckloads from different groups is possible, and will be LTL pricing.  
 Prices include delivery to food banks across Canada (excl. North)  
 Quotes can be provided for Tuna pick-up in Vancouver and GTA.  
 Lead times for full truckloads will vary depending on the item.
